Verse 1 – Female Solo – Lauren (Mic 4)

I, was a wretch
I was lost, I was blind
Sin, separated, The breach was far too wide
You held me in Your sight

I remember who I was
I was running out of time
But from the far side of the chasm,

Verse 2 – Female Solo – Lauren (Mic 4)

So You, made a way
Left behind, heavens throne
And there, at the cross
Broke my chains, freed my soul

Across the great divide
To build it here inside
You paid the debt I owed
For the first I had hope

Chorus – Female Solo – Lauren (Mic 4)

Thank You Jesus, for the blood applied
Thank You Jesus, You have saved my life

Thank You Jesus, it has washed me white
Brought me from the darkness, into glorious light

Verse – Solo – Josh (Lead Mic)

You took my place
You were buried for three days
And now death has no sting
For I have been transformed

Laid inside my tomb of sin
But then You walked right out again
And life has no end
By the blood of the Lamb

Thank You Jesus, for the blood applied
Thank You Jesus, You have saved my life

Thank You Jesus, it has washed me white
Brought me from the darkness, into glorious light
