V1 VERSE 1

I was a wretch

I remember who I was

I was lost I was blind

I was running out of time

Sin separated

The breach was far too wide

But from the far side of the chasm

You held me in Your sight

C CHORUS

A little bigger

Thank You Jesus

For the blood applied

Thank You Jesus

It has washed me white

Thank You Jesus

You have saved my life

Brought me from the darkness

Into glorious light

V2 VERSE 2

Acoustic Guitar in

So You made a way

Across the great divide

Left behind Heaven's throne

To build it here inside

And there at the cross

You paid the debt I owed

Broke my chains

Freed my soul

Vp VAMP

V3 VERSE 3

More layers, with Shaker
Gradually build to Chorus

You took my place

Laid inside my tomb of sin

You were buried for three days

But then You walked right out again

And now death has no sting

And life has no end

For I have been transformed

By the blood of the Lamb

C CHORUS

All in, full Groove

Thank You Jesus

For the blood applied

Thank You Jesus

It has washed me white

Thank You Jesus

You have saved my life

Brought me from the darkness

Into glorious light

Big energy

There is nothing stronger

Than the wonder working power

Of the blood the blood

That calls us sons and daughters

We are ransomed by our Father

Through the blood the blood
